## Read Live Read Naturally Live

Read Naturally Live accelerates reading achievement by utilizing the evidence-based Read Naturally Strategy, which combines the research-proven methods of teacher modeling, repeated reading, and progress monitoring. Students work at their own pace in an appropriate level of material. Text and audio guide the student through the steps. The student masters a story by reading along with audio and then practicing the story until able to read it fluently and with comprehension. The program automatically tracks student progress and makes data-driven suggestions to teachers.
